Dear Peg,
 The many presents
 that you and your
 lovable canine
 have showered on
 me are much
 appreciated. Thank
 you.
 Happy New Year from
 your cousin,
 S. Robert

Dear Barbara & Howard,
 The Salem shell pattern letter opener
 and the candle stick are beautiful.
 I love them! Thank you.
 Your generosity, like your hospitality,
 is extraordinary. You are an
 island of civilization in a largely
 uncivilized world. Sincerely,
 S. Robert

[The above painting was re-cycled
 by SRP; the original was a Christmas
 Card from Carol & Zack Run to SRP—
 a very attractive card, but one which
 because its decorations are white on white
 copies very badly. I therefore decided
 to send on the original to the Yeppons.]
